Audubon Park Community Market is now participating in Fresh Access Bucks *Program increases access to healthy food for SNAP recipients*

(Gainesville, Fla. – November 1, 2016) – The [Audubon Park Community Market](#) is now participating in Fresh Access Bucks, a program that increases access to healthy, local, fresh produce for Supplemental Nutrition Assistance Program (SNAP) recipients.

A program of Florida Organic Growers (FOG), Fresh Access Bucks (FAB) is a statewide incentive program designed to encourage SNAP recipients to redeem their benefits at farmers markets to purchase fresh, healthy foods directly from Florida farmers.

At participating markets, FOG matches what a SNAP cardholder spends with FREE Fresh Access Bucks - up to \$20, every market day. Customers can use them right away or later on to buy Florida grown fruits and vegetables.

For example, a SNAP shopper who spends \$10 of their SNAP benefits at a participating market receives an additional \$10 to purchase fresh, local produce. Currently there are 28 farmers markets and two CSAs participating in Fresh Access Bucks throughout the state. In addition to increasing the affordability and accessibility of healthy foods, nutrition education efforts, such as cooking demos, at FAB markets is integral to increasing the purchase and consumption of fresh, local produce.

“The Audubon Park Community Market is a weekly neighborhood event that seeks to bring the community together around food,” said Gabby Lothrop, market manager. “We are excited to expand access and opportunities for members of the community and farmers alike.”

The market is located at 1842 E. Winter Park Rd. in Orlando and is open Mondays from 5 to 9 p.m.

FOG is a nonprofit that supports and promotes organic and sustainable agriculture and local food by educating consumers, farmers, future farmers, businesses, policy makers and the general public.
