Verde Community Farm and Market is now participating in Fresh Access Bucks *Program increases access to healthy food for SNAP recipients*

(Gainesville, Fla. – November 9, 2016) – [Verde Community Farm and Market](#) is now participating in Fresh Access Bucks, a program that increases access to healthy, local, fresh produce for Supplemental Nutrition Assistance Program (SNAP) recipients.

A program of Florida Organic Growers (FOG), Fresh Access Bucks (FAB) is a statewide incentive program designed to encourage SNAP recipients to redeem their benefits at farmers markets to purchase fresh, healthy foods directly from Florida farmers.

At participating markets, FOG matches what a SNAP cardholder spends with FREE Fresh Access Bucks - up to \$20, every market day. Customers can use them right away or later on to buy Florida grown fruits and vegetables.

For example, a SNAP shopper who spends \$10 of their SNAP benefits at a participating market receives an additional \$10 to purchase fresh, local produce. Currently there are 28 farmers markets and two CSAs participating in Fresh Access Bucks throughout the state. In addition to increasing the affordability and accessibility of healthy foods, nutrition education efforts, such as cooking demos, at FAB markets is integral to increasing the purchase and consumption of fresh, local produce.

The market is located at 12690 S.W. 280th St. in Homestead and is open 9 a.m. to 3 p.m. on Saturdays. The grand opening of the market is Saturday, November 19.

FOG is a nonprofit that supports and promotes organic and sustainable agriculture and local food by educating consumers, farmers, future farmers, businesses, policy makers and the general public.
