ElderPoint Ministries Mobile Pantry is now participating in Fresh Access Bucks *Program increases access to healthy food for SNAP recipients*

(Lakeland, Fla. – March 12, 2018) – ElderPoint Ministries Mobile Pantry is now participating in Fresh Access Bucks, a program that increases access to healthy, local, fresh produce for Supplemental Nutrition Assistance Program (SNAP) recipients.

A program of Florida Organic Growers (FOG), Fresh Access Bucks (FAB) is a statewide incentive program designed to encourage SNAP recipients to redeem their benefits at farmers markets to purchase fresh, healthy foods directly from Florida farmers.

At participating markets, FOG matches what a SNAP cardholder spends with FREE Fresh Access Bucks - up to \$40, every market day. Customers can use them right away or later on to buy Florida grown fruits and vegetables.

For example, a SNAP shopper who spends \$10 of their SNAP benefits at a participating market receives an additional \$10 to purchase fresh, local produce. Currently there are 41 farmers markets, 2 mobile markets and three CSAs participating in Fresh Access Bucks throughout the state. In addition to increasing the affordability and accessibility of healthy foods, nutrition education efforts, such as cooking demos, at FAB markets is integral to increasing the purchase and consumption of fresh, local produce.

“Doubling SNAP funds to purchase fresh Florida grown produce at ElderPoint markets, which is already low cost, will dramatically improve the quality of life for seniors facing food insecurity in our community,” said Jane Hammond, Executive Director of ElderPoint Ministries.

Portable Pantry Produce Markets are offered year-round throughout Lakeland and Winter Haven in senior communities. Check our website at www.elderpoint.org for details on locations and times.

FOG is a nonprofit that supports and promotes organic and sustainable agriculture by educating consumers, farmers, future farmers, businesses, policy makers and the general public.
