### **Sumter County Farmers Market is now participating in Fresh Access Bucks *Program increases access to healthy food for SNAP recipients***

(Gainesville, Fla. – April 29, 2016) – Sumter County Farmers Market is now participating in Fresh Access Bucks, a program that increases access to healthy, local, fresh produce for Supplemental Nutrition Assistance Program (SNAP) recipients.

A program of Florida Organic Growers (FOG), Fresh Access Bucks (FAB) is a statewide incentive program designed to encourage SNAP recipients to redeem their benefits at farmers markets to purchase fresh, healthy foods directly from Florida farmers.

At participating markets, FOG matches what a SNAP cardholder spends with FREE Fresh Access Bucks - up to \$20, every market day. Customers can use them right away or later on to buy Florida grown fruits and vegetables.

For example, a SNAP shopper who spends \$10 of their SNAP benefits at a participating market receives an additional \$10 to purchase fresh, local produce. Currently there are 28 farmers markets and two CSAs participating in Fresh Access Bucks throughout the state. In addition to increasing the affordability and accessibility of healthy foods, nutrition education efforts, such as cooking demos, at FAB markets is integral to increasing the purchase and consumption of fresh, local produce.

The Sumter County Farmers Market is located at 524 N. Market Blvd. in Webster and is open Mondays from 7 a.m. to 2:30 p.m. and Saturdays 8 a.m. to 3 p.m. year round.

“We feel this partnership will be an excellent way to provide individuals and families with fresh and affordable produce, while being able to shop locally and keep revenue at home and promote local agriculture,” said Sumter County Farmers Market EBT Manager Kristina Fort.

FOG is a nonprofit that supports and promotes organic and sustainable agriculture by educating consumers, farmers, future farmers, businesses, policy makers and the general public.
